MEDIA & PRODUCTION EXPERIENCE

Sun & Sky Entertainment — Social Media & Design Intern Aug 2026 – Present

Fetching Fetchers (YouTube series) · Playmaker Production Group, with Michael Irvin

- Produce and edit short-form social clips, episode recaps, and trailers for Fetching Fetchers, a YouTube series with a 15K+ Instagram following.

WUFT News — Immersion Program, Director/Producer Track Aug 2026 – Present

- Selected for WUFT News' immersion program at the University of Florida's PBS/NPR-affiliated student newsroom, training behind the scenes on the control-room side of production as part of the director/producer track.

Chompics Productions — Staff Writer Fall 2026 – Present

- Selected for the Writers' Room of UF's student-run film production club, pitching, researching, and scripting episodes of its annual five-episode web series.

UF Student Films — Production Crew Fall 2026 – Present

- Working on set for University of Florida students' graduation films on campus.

Meiler Interactive — Founder, Creative Director & Freelance Video Producer 2023 – Present

- Founded a solo creative-production studio, directing, producing, writing, and editing narrative film projects (incl. the short film Playback) from concept through post-production.
- Generated, filmed, and edited original photo and video content for a range of clients.
- Producer and director of photography (DP) on influencer videos (Summer 2026), generating 500K+ Instagram views.

Screen Media Group — Production & Digital Content Assistant 2024 – Present

- Supported creative and digital projects including video editing, website updates, content development, and client-facing marketing and post-production materials.

Colosseum Sport — Tel Aviv, Israel — Sports-Tech Research Intern June – Aug 2026

Sports Tech Talks Conference · Maccabiah 2026

- Communicated sports-tech research and partner insights through marketing and stakeholder materials for an international sports-technology conference.
- Supported content and marketing operations end-to-end, from sourcing and evaluating startups/speakers to producing stakeholder-facing materials via an automated JotForm → Canva → Lovable pipeline.

KUBIKA USA — Marketing Intern 2023 – 2024

- Managed SEO, customer communications, and sales data using AI tools to support marketing and growth.
